

TECHNICAL BULLETIN

G-MAX 399

RINSE FREE PRE-PAINT DEGREASER

1) PRODUCT DESCRIPTION

G-MAX 399 is a great degreaser that doesn't need to be rinsed with water. It evaporates completely leaving a clean and dry surface that is ready to be coated. The product will clean and dissolve oil, grease, soil, inks and most contaminants on all type of parts and equipments. Use a cloth to wipe off the contaminants on the surface to be cleaned

G-MAX 399 can be used on all metals, painted surfaces, concrete, glass, rubber and plastics.

Typical applications

Concentration of G-MAX 399

Cleaning & degreasing metal surfaces (pre-paint cleaner)	Undiluted
Cleaning parts and equipments	Undiluted

2) ADVANTAGES

Based on an elaborate blend of water, cleaning agents and biodegradable solvents, **G-MAX 399** has a very low toxicity for its user.

Its main benefits are:

- Excellent cleaner/ degreaser for oil and grease;
- Low odor
- Flashes off without leaving a residue (excellent pre-paint cleaner)
- Non flammable
- Compatible with ALL SURFACES

3) PHYSICAL PROPERTIES

Appearance	translucide liquid
Odour	Alcohol
pH (Sol. 1%)	N/A
Flash point.....	None
Specific gravity	0.95 – 1.00
Biodegradability	good

GREENSOLV inc.

4) DIRECTIONS FOR USE

*Note: For best results, when using **G-MAX 399 on heavy contamination**, follow these tips for best results:*

- *Mechanical agitation with a cloth or a brush will greatly improve the cleaning efficiency*
 - *Let work for a longer period of time on dry contaminants.*
-
- Apply undiluted on the surface to be cleaned with a cloth or a sprayer
 - Use a cloth to clean the surface and wipe off the contaminants
 - Let dry (less than 3 or 4 minutes) – the surface is ready to re-coat

5) PERSONAL PROTECTION

When using **G-MAX 399**, it is recommended to wear the following safety equipments:

- Chemical resistant gloves

6) STORAGE

Store **G-MAX 399** at a controlled temperature below 38° C (100° F) in a METAL CONTAINER. Store in a closed container when not in use. The shelf life of the product has been determined to be over three (3) years.

7) PACKAGING

G-MAX 399 is available in following size containers:

- Pails (18.9 Litres/ 5 Gallons);
- Drums (205 Litres / 45 Gallons);

Version : 1
